

Men's Auxiliary

How to get started:

- Post votes to start a Men's Auxiliary at a post meeting
- Commander or Adjutant send State Adjutant a copy of the minutes where they voted to have one
- Adjutant will send a booklet and charter kit
- Contains
 - charter application, membership applications and cards.
- Must have (25) members to start
- Post member checks eligibility of applicants
- When the charter application is completed send it with \$25.00 for the charter and the \$2.00 per member per capita tax to Department of New York
- After the Department Commander signs the charter application it will be forwarded to National
- When National receives it they will make a listing of all the members and send it to the Post Commander who is to verify all names are spelled correctly
- The Post Commander signs off on the list with any corrections made and sends it back to National
- National will issue the charter and send it to Department of New York for signatures then we will forward the charter to the Post Commander for presentation to the Men's Auxiliary
